WORK EXPERIENCE

TacticallJoob | University mentored project (5 employees)

Genève, Swiss

May 2021 to today

As part of a mentored project, we created the TacticallJob website in groups of 5. The purpose of this website is to connect companies and job seekers to facilitate recruitment.

Using the laravel framework.

Busar | Les papillons blancs (1000 employees)

Aix-les-Bains, France

June to July 2021

Helping to set up, receive and put away groceries, peel vegetables, wash dishes vegetables, washing up, ensuring the delivery of meals to the different units of the APEI.

Civic service | HCC | Sport association Hockey Club

Chambery, France

September 2019 to April 2020

Realization of a civic service of 8 months at the service of the club of rink field hockey of Chambery. I had for objective to supervise the young people of the club during their training as well as on the competition plateaus. I was also reinforcing the communication between the parents and the club.
